The 2021 Vintage

2021 had limited rainfall during the growing season which produced a slightly lighter crop but added intense, concentrated flavor and color to the wines. There was consistently warm weather during the summer months which helped maintain fruit acidity for brightness and balance.

Alder Springs Vineyard

Alder Springs Vineyard is located in Mendocino County, 12 miles from the Pacific coast. The combination of coastal influence, altitude, excellent soils and steep slopes make this location unique for growing wine grapes. This fruit is known for a beautiful expression of minerality and balanced, complex fruit flavors.

Tasting Note

Tropical notes of peach, pineapple, honeydew melon and guava drive a rich mouth-feel, complementing its full-body. This wine rounds out with a candied ginger and hazelnut finish. Very versatile, this smooth white varietal pairs well with any occasion.
