---

Technical Data Alc. 14.5% | pH 3.48 | TA 7.1 g/L

---

Cooperage 14% new French oak

---

Production 187 cases

---

## The 2022 Vintage

2022 was a beautiful year that consisted of a cool spring and summer ending with a heat spike in August to finish ripening the fruit. We had a much later harvest than normal but the long growing cycle allowed us to produce some exceptional fruit!

## Alder Springs Vineyard

Alder Springs Vineyard is located in Mendocino County, 12 miles from the Pacific coast. The combination of coastal influence, altitude, excellent soils and steep slopes make this location unique for growing wine grapes. This fruit is known for a beautiful expression of minerality and balanced, complex fruit flavors.

## Tasting Note

Notes of choke cherry are apparent on the nose of this bright wine. Flavors of raspberry and strawberry hit the mid-palate followed by a refreshing finish of red licorice and cola. This wine has a beautiful texture that complements a plethora of foods and occasions.
