The 2022 Vintage

2022 was a beautiful year, consisting of a cool spring and summer ended with a heat spike in August to finish ripening the fruit. We had a much later harvest than normal but the long growing cycle allowed us to produce exceptional fruit!

Estate Vineyard

Our Petite Sirah block is located at the base of a gentle hill on the estate's backside. This area is slightly cooler than the rest of the ranch, situated near a seasonal creek that flows through the property. This unique environment provides ample hang-time for the grapes, leading to a rich color and exceptionally smooth tannins.

Tasting Note

The aroma features ripe blackberries, boysenberries, and hints of baking spices. On the palate, it presents ripe dark fruits accompanied by soft acidity, gentle tannins, and a well-balanced finish. This wine possesses a delightful savory character.
