Harvest Date 10/26/2022

Technical Data Alc. 13.3% | pH 4.0 | TA 4.5 g/L

Cooperage 12% new French oak

Production 204 cases

The 2022 Vintage

2022 was a beautiful year, consisting of a cool spring and summer ended with a heat spike in August to finish ripening the fruit. We had a much later harvest than normal but the long growing cycle allowed us to produce exceptional fruit!

Holmes Vineyard

This valley floor vineyard has volcanic and loamy rocky soil that aids development of the elegant acid structure and mineral components that add to the complexity. This vineyard produced very small berries resulting in a high skin-to-juice ratio.

Tasting Note

Fruit forward Cabernet Sauvignon with a nose that reveals lavender and cassis. While this wine has fresh flavors of blackberry and plum it also has a pleasing finish of crushed black pepper and black currant.
